From the Deputy Commr Chitaldroog District No Ag C 682/41-2 of 28 11 1941 requests sanction to the Drainage Scheme of the new Extension ~~and old town~~ of Davangere town Submits estimates for orders

Ref 1st 12 41 2 Reference is invited to his letter & orders in Pol Dept No 81-40-5-

The Davangere Mcl Council were asked how they would meet half the Cost of the Scheme There were two estimates for Rs 62 325 & Rs 2 30, 625 for underground drainage for the New Extension & the Davangere old Town respectively The Mcl Cl wanted the whole Cost to be met by Govt

3 They have now decided to take up only the New Extension for the present and Construct underground drainage at a Cost of Rs 62 325, half of which being met by the Municipality & the other half by Govt Towards their quota, the Mcl Cl say that a provision of Rs 20000 is available in the Current Year's Budget It is an equal grant of Rs 20,000 is to be given by Govt Accordingly to their Communication, in

Administrative Sanction to the estimate of Rs 62 325, for Underground drainage in the New extension, half the Cost being provided by Govt & the other half found by the M(Ltg)

The Fin Secy (first) & the Chief Engineer (afterwards) may be Consulted

It may however be noted that the estimate in question was prepared in March 1940. It is extremely favorable that it needs Sanction on the basis of present forces of Materials.

Subs on the Budget Estt of Davangere M(Ltg) for 1941-42

The estimate for Rs 62,325 will be sent to the Chief Engr for Scrutiny and remarks, in the first instance

1) The D.C. has ~~[illegible]~~ submitted the proposals of the Dawangere Town Committee to take up on the first instalment drainage work in the new extension

of the Town at an estimated cost of Rs 62,325/- which was subsequently revised to Rs 77,500 and approved by the chief engineer with the observation that a provision of 30% may be retained for fluctuation of market rates. The cost of this scheme was proposed to be met by the govt and the local bodies in equal proportions.

4) As the govt portion of the scheme amounts to Rs 38,750/-, it is a point for orders whether such a large sum may be given for this work in view of the fact that a sum of Rs 46,000/- was recently decided to be given towards 1/3 of the estimated cost of the works for the construction of a reservoir at Davangere from out of the water supply grants for 1943-44 and moreover the amount provided for in the state budget to the extent of Rs two lakhs has to be distributed to several towns in the state and it may not be possible to give such a large amount out of the T.S. grant to this single town which has its own scheme unrespective of the water supply grant.

5) Having regard to the present abnormal conditions and the non availability of materials in the market to carry out such large schemes and

the daily fluctuations in the rates of available materials and the large sum of Rs 38,750/- to be given as a grant towards half the cost of the scheme during the current year, it is for orders if the scheme may not be postponed for the present or if otherwise the work may be spread over a period of five years, each stage being financed by the govt and the local bodies in equal proportions

FINAL NOTE BY THE MINISTER FOR LOCAL SELF-GOVERNMENT AND PUBLIC HEALTH

Subject — Construction of underground drains in the Sri Jayachamaraja Wadiyar new extension - Davangere

---

In the month of November 1941, the Deputy Commissioner, Chitaldrug District forwarded two estimates for Rs 62,325/- and Rs 2,30,625/- for the underground drainage works in the Sri Jayachamaraja Wadiyar new extension and the old town of Davangere, respectively

The Davangere Town Municipal Council have decided to take up and execute in the first instance, the drainage work in the new extension and have requested that half the cost of this work may be met by the Government as an outright grant, the other half being met out of the funds of the Municipal Council The estimate for Rs 62,325/- for this work has subsequently been revised to Rs 1,500/- and it has been scrutinised and found by the Chief Engineer to be in order

It is necessary to sanction the scheme in the interest of the healthy and rapid development of the new extension at Davangere It has been proposed to get the work executed in two years commencing from the current official year The Dewan and the other Ministers of Council are agreeable to this proposal The Government share of the cost amounting to Rs 38,750/- in this behalf will be given in two annual instalments from out of the Town Improvement grant provided in the state budget for 1943-44 and 44-45

I solicit His Highness's gracious approval to the proposal in question

SUBJECT — Under-Ground drainage scheme in the New Extension and Old Town of -- Davangere
---

With reference to your letter No L 4217/Ml 81-40-5 dated 27th November 1940 on the above subject stating that the Davangere Town Municipal Council should find its way to meet at least half the estimated cost before the scheme -- could be taken up for consideration, I have the honour to state that the Davangere Town Municipal Council have decided to take up the Drainage Scheme and have passed resolution agreeing to bear half the cost of the two schemes They request that Government might be moved to kindly grant a liberal grant to meet the balance cost of the scheme (vide resolution copy dated 12-12-40 enclosed for kind reference)

2 As regards the question of ways and means of financing half the cost of the two estimates, the Municipal -- Council have decided that the Under-Ground Drainage work in Prince Jayachamaraja Wadiyar Extension might be taken up - first, and that as regards the funds, it would be possible

for the Municipal Council to finance Rs 20,000/- from out of the current year's sanctioned Budget allotment under the head D- Public Works

3 It is stated that it would be possible for the Municipal Council to provide a similar sum every year in future towards this scheme and by earmarking the - the amount to be realised by sale of Municipal sites - which are being put up for sale from time to time (vide resolution copy dated 6-10-41 enclosed)

4 In the circumstances, I request that kind sanction of Government may be obtained for according their administrative sanction to take up the scheme for providing Under-Ground Drainage to Sri Jayachamaraja Wadiyar Extension in Davangere Extension at an estimated cost of Rs 62,325/- and to sanction further a generous grant of Rs 31,163/- i e ½ the cost of the scheme, the other half of the cost being shared by the local Municipal -- Council from out of its funds, i e Rs 20,000/- during the current year from the sanctioned Budget allotment under the head D-Public Works, due provision being made for the purpose in the Budget Estimates of the Municipality for the subsequent year 1942-43

5 The question of providing underground drainage to the Davangere Old Town at an estimated cost of -- Rs275,000/- will have to be deferred for the present, till the scheme for the extension is taken up and completed

6 The two file of estimates received with your letter under reference, together with the Municipal -- President's letter No H C P R 21/41-42 dated 25th October 1941 received on the subject are also forwarded herewith

for favour of kind reference and orders of Government in the matter
